EganLectern – Wood Veneer

The "Classic Lectern" in your choice of real wood veneers. Two casters on the presenter's side allow movement – tip the unit onto the casters.

- Lockable storage
- Wiring grommets for field set-up of laptops, tablets and microphone
- Optional Lamp
- Optional Clock/Timer

ADA Lectern – Wood Veneer

This beautiful, real wood veneer ADA Lectern is equipped with a pushbutton electric-lift mechanism that adjusts the working height from 33" to as high as 44". The inside clearance accommodates wheelchair access and complies with the specifications established by the 'Americans with Disabilities Act.'

This lectern has two inch locking casters for easy mobility and an optional lamp and clock. The electric-lift motor has a one-year warranty.

202 Compact Projector Center

Mobile Projector Centers provide convenient storage, safe mobility and the ability to adjust the position of the projector for optimum picture size. The S2DT provides a well-designed worksurface and easily accessible, lockable storage. Cabinet: Etex. 25" w x 35" h x 21-1/2" d

202 Mobile Projector Center

Design features include lockable cabinet lids that fold out at each end. Release the foot-lock and a gas-cylinder scissor-lift gently raises the projector. Lightly "push-down" to retract the mechanism. A low center of gravity and 3" locking casters ensure safe and easy mobility. Lid: Etex; Cabinet: Wood Veneer or Etex. 32" w x 34" h x 18" d

202 Mobile Video Center

Worry-free transportation and secure storage for AV equipment. Equipped with an electrically-operated scissor lift that raises the platform to 39" high. Safely transport a TV up to 30" (depending on model), plus a VCR or DVD. Lid: Etex only; Cabinet: Wood Veneer or Etex. 37" w x 42" h x 26" d
