EVS and Porcelain Specification and Design Options

Magnetic Solution

Egan offers the definitive collection of guaranteed-to-clean markerboards designed to accept magnetic accessories. Egan Magnetic Markerboards feature EVS Write Magnetic surface or EganBoard Porcelain on steel.

Mounting Options

Egan Markerboards are available in Wall, Top or Panel System Mount. (Due to weight restraints, 72" w x 48" h and 96" w x 48" h are not available with Top Bracket or System Mount.)

Aluminum Frame Mount

Wall Mount Cleat Top Mount Bracket System Mount Hook

Wood Frame Mount

Wall Mount Cleat

Bullnose Wood Frame
with EVS

Bullnose Wood Frame
with PermaGrid Porcelain

Egan Markerboards adapt to any design environment. PermaGrid available in Porcelain models 26" x 36", 32" x 48" and 48" x 36" only. PermaGrid is not available in EVS.

Frame options include:

- Bullnose wood frame
- Eased-curve aluminium frames
- Square-mitered aluminium frames

EganBoard Porcelain Markerboards

Porcelain

Egan also offers the traditional EganBoard Porcelain on steel writing surface.

Egan Fabric Tackboards Aluminium Frames

EganFabric is standard

Thousands of fabric options available.

Add a matching tackboard to complete the picture. Egan Tackboards are covered in EganFabric, a stable polyester fabric, in a neutral color that complements the full range of standard and Custom Color finish choices.

EganFabric Program Egan has a synergy program with Maharam Fabrics to offer thousands of optional tackable fabrics. See price list for details. C.O.M. (Customer's Own Material) requirements may be coordinated through Customer Service. A sample is required for approval prior to order acceptance. See the current 'Egan Price & Specification Guide'.

Instant Ship

Most of our Markerboards and Tackboards are available on our Instant Ship Program, quantity orders ship within 10 days. See price list for details.

Linked Markerboards and Tackboards

Egan also offers "Linked Markerboards and Tackboards" to create a superior quality writing and communication wall 24" through 96" high to your specified width. See Egan's 'Price and Specification Guide' for further details.

Markerboard Accessories

EganGrip

Add an EganGrip to increase markerboard functionality. EganGrip combines a roller and gravity to form a paper grip. Just push up to insert. To remove, simply curl up and out. 21.5" – 93.5" wide, with five mount options.

EganCloth™

The perfect markerboard cleaning tool. Our fabulous 16" x 12" EganCloth virtually eliminates dry-erase dust and ghosting, and keeps EVS and porcelain surfaces spotless. Available individually or in packages of 12 or 24.

Available Formats

96" x 48"

Both EVS and EganBoard Porcelain Markerboards ship with specified mounting bracket, an EganCloth™, four markers (red, green, brown and black) and one pen tray per configuration (not shown). EVS and EganBoard porcelain are designed with slightly different shades of white. When installed side-by-side, the difference in hue is noticeable.

The unique tool for generating, capturing and presenting ideas.

EVS is a matte-finish material, available in EVS Write or EVS Projection surface finishes and is offered on lightweight honeycomb, steel (accepts magnetic accessories) or SmoothMount EganWall laminations. EVS is guaranteed to clean and offers high-performance durability.

Take the EVS Test-Drive

1. Write on the EVS surface with a dry-erase marker.
2. Wait a minute, then erase. Use the amazing EganCloth for the best results... it eliminates ghosting and dry-erase dust.
3. If you used a permanent marker by mistake, grab a dry-erase marker and use it to scribble directly over the permanent marking, then just wipe it clean.
4. EVS Projection also features a low-gloss surface that is ideal for projection.
