

Simply the world's best dry-erase markerboard. Cost-effective, lightweight, and guaranteed-to-clean, Egan SimpleBoards are single-sided and come in a variety of sizes and hardware to provide simple integration with virtually all panel system environments. This product is so lightweight, we have designed a magnetic mount option. **Ships standard with Wall and Panel System Mount.**

How to order this product:

SVB 3618 EM M5

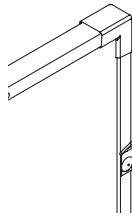

Egan SimpleBoard Board Size: 36" w x 18" h Finish: Metallic Mount Option: Magnetic Mount

- Freight charges apply to any order under Call list. Parcel Service items (📦), ship 'Freight Included', see page 68.
- For Custom Color catalyzed polymer coating, add 15%, Call minimum, see page 65.
- Mounting hardware is included.
- Instant Ship products are identified by combining codes indicated in red. See page 2-5 for details.

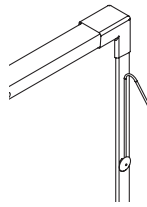

Mount Options

SimpleBoard can hang horizontally or vertically. Predrilled holes are positioned to accommodate mounting hardware for landscape or portrait applications.

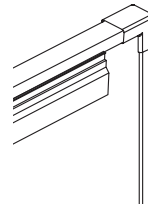

Wall Mount (W)

Attach the bracket to the board, then hang on the wall using an appropriate fastener.

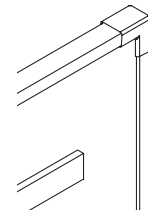

Panel System Mount (S)

Attach the hook to the board, then hang on a panel system. Also works with Egan track system for temporary use.

Cleat Mount (Z)

Remove the adhesive strip on the cleat and attach to back of the board. Attach wall cleat with appropriate fasteners. Hang the SimpleBoard on cleat.

Magnetic Mount (M)

Remove the adhesive strip on the magnetic mount and attach it to the board, then hang on a metal panel or surface.

Accessories

Accessory	Code	Description	Price
	EVEC12	EganCloth 12-pack	Call
	EVEC24	EganCloth 24-pack	Call
