

The most effective lightweight, versatile, guaranteed-to-clean whiteboard in the world. The matte-white surface hangs portrait or switches to landscape in seconds, with mounting options to suit every need. Incredibly lightweight, Egan VersaBoard is reversible, offering double the work surface – and they’re both guaranteed to clean! When specifying, it is important to notice that EVS and EganBoard Porcelain are designed with slightly different shades of white. When installed side-by-side, the difference in hue is noticeable.

Lightweight VersaBoard Track Options

- Versa Wall, Edge and Top Mount Kits are restricted to 7 lb. maximum weight load. Magnetic EVS and EganBoard Porcelain system boards are too heavy for this application.

Code	Description	Dimensions	Price
Glass Mount Kit			
AVBG37	Adhesive-backed 37" and 49" lengths of metallic SystemTrack designed to support lightweight VersaBoards on glass windows or walls, or any smooth surface that will not accommodate a fastener. (VersaBoard not included.) Magnetic EVS and EganBoard Porcelain system boards are too heavy for this application. Note: Requires Track Mount AVBT corners on VersaBoard.	37" lengths	Call
AVBG49		49" lengths	Call
Magnetic Mount Kit			
AVBM37	Magnetic backed 37" and 49" lengths of metallic SystemTrack designed to support lightweight VersaBoards on metal-surfaced panel systems, partitions or file cabinets. (VersaBoard not included.) Magnetic EVS and EganBoard Porcelain system boards are too heavy for this application. Note: Requires Track Mount AVBT corners on VersaBoard.	37" lengths	Call
AVBM49		49" lengths	Call

How to order this product: **EVB 3648 P A 5**

- Magnetic Track is designed to support VersaBoards from metal-surfaced panel systems, metal partitions or file cabinets.
- Glass Track uses a special adhesive to support VersaBoards from glass or smooth surfaces that will not accommodate a fastener.

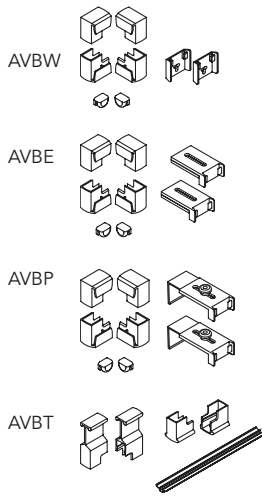

Note: These two unusual track options are designed for use with lightweight Track Mount VersaBoards ONLY and are restricted to a maximum 7 lb. weight load. Other boards are too heavy for this application.

- Instant Ship products are identified by combining codes indicated in red. See page 2-5 for details.

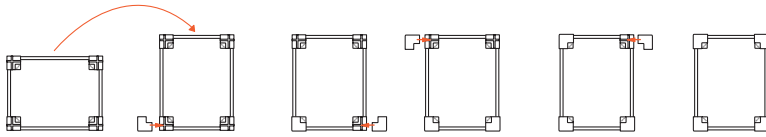

VersaBoard Mount Options

VersaBoard ship with corners specified. For further versatility optional corners are available below.

• All above products are finished in Egan Metallic.

Drawings not to scale. Corner mounts may have been exaggerated for demonstration purposes only.

Egan VersaBoards are two-sided, and mount either horizontally or vertically. Horizontal for projection, change the corner mounts, and you've got a vertical board that's ready to capture notes!

• Freight charges apply to any order under Call list. Parcel Service items , ship 'Freight Included', see page 68.
