

STOP

Egan Visual is not responsible for errors in the installation process. It is the purchasers responsibility to ensure the quality of the installation.

- Are you a Qualified Installer?
- Have you completed the Qualified Installer Agreement, and provided a copy to Egan Visual?
- Have you viewed the Installation DVD?
- Are the correct installation tools, especially the correct squeegee, being used as instructed in the installation instructions?

If any answer to these questions is “no”,
DO NOT PROCEED WITH THE INSTALLATION

Installation guides and videos are available online:
