

A remarkable classroom experience®

**TEAM
BOARD**

What makes TeamBoard so remarkable?

TeamBoard is:

- A** An outstanding projection surface
- B** A guaranteed-to-clean, dry-erase whiteboard
- C** An intelligent whiteboard (captures & communicates)
- D** An interactive touchscreen (works with any PC application)
- E** All of the above

Freedom to change with unique hardware design

TeamBoard's controller is the size of a deck of playing cards (small enough to ship via courier overnight). It is designed to simply slide on and off for easy upgrades, without removing the board from the wall or stand.

Freedom to connect, freedom to choose

TeamBoard works with your computer equipment:

USB, Serial or WiFi connectivity. Standard Cat5 (RJ45) cables offer facility-friendly, structured wiring compatibility. Wall mounted or mobile models range in size from 48" w x 36" h to 60" w x 48" h. Durable and reliable, TeamBoard is built to last.

Freedom to express Feel free to use a dry-erase marker on TeamBoard; the surface is guaranteed-to-clean, even permanent marker (used by mistake) is easy to erase.

TeamBoard is remarkable (in every sense of the word).

TeamBoard is:

- A Fingertip-driven** (no special pens or gadgets, no batteries required)
- B Compatible** (works with any third-party PC software – Macintosh® or Windows®)
- C Intuitive** (TeamBoard Draw annotation tools are incredibly easy-to-use)
- D Free** (TeamBoard Draw upgrades & support are always free of charge)
- E All of the above**

Freedom at your fingertips

TeamBoard provides remarkable freedom at the board. There are no gadgets to handle, simply touch the TeamBoard with your fingertip.

Freedom to teach your way

TeamBoard sets you free to use any third-party software on your PC (Windows or Macintosh). Intuitive annotation tools work seamlessly with your software as you highlight, draw, capture, and export to universal file types (i.e. JPEG, PDF).

Freedom to create

RM Easiteach Studio software is bundled with TeamBoard to make lessons exciting, fun to share, and easy to create and reuse. Suitable for use across the entire curriculum, Easiteach Studio and optional 'plug-in' content packs provide tools and content for specific subject and topic areas. (Windows only)
